EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The information required on the manifest [Forms 1500, 1500 A, and 1500 B as new numbers 501, 500 A, and 500 B], so far as it relates to alien arrivals (including those in transit and tourists), should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, in all cases up to and including column 16, by a descriptive title indicating briefly the subject to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M (male) or F (female).

Column 5 (Married or single).—The entry in column 5 should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel roller, iron worker, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A *farmer* is one who operates a farm, either for himself or others.

A *farm laborer* is one who works on a farm under the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Columns 7 (Able to read and write).—Column 7 is subdivided and the entry therein should be either Yes, Yes, or Yes, No. Yes, Yes means both read and write; Yes, No means read but not write; and No, No means neither read nor write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, not Negroes.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Central or South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro, whether coming from Africa, the islands of the West Indies, North or South America, Europe, or Asia. Any doubtful appearance indicates an admixture of negro blood, and should be classified under that heading.

ITALIAN (NORTH).

The people who are native to the territory comprising Piedmont, Liguria, Lombardy, Venetia, and Emilia, and the provinces of Massa and Carrara, and the communities formerly belonging to Italy, but now belonging to Switzerland, Austria-Hungary, or Tyrol, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian, north." Most of these people speak a dialect characterized by the hard pronunciation of the letter "c."

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the boundaries of the Provinces, compartments of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and to the descendants, should be classed as "Italian, south."

Column 10 (Last residence).—The entry in column 10 should show the *country and city or town* of last permanent residence, instead of the port from which sailed.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city, or town of final destination.

Column 12 (Whether having ticket to such destination).—The entry in column 12 should be either Yes (ticket) or No (no ticket).

Column 13 (By whom was passage paid).—The entry in column 13 should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 14 (Whether in possession of $50 and if less how much).—The entry in column 14 should give in each case individual or family possession, as the amount of money shown.

Money brought by the head of a family should not be divided among the several members of the family.

Column 15 (Whether ever before in the United States and if so when and where).—The entries in column 15 should show whether or not Yes or No, the United States before; and if so, the year or period of years, and place, as 1894, Philadelphia.

Column 16 (Coming to join relatives or friends, and if so what relative or friend).—The entry in column 16 should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 17 to 29.—The answers in these columns are subject to revision by an inspection officer in the examination of intending

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILING ALIEN MANIFESTS.

The information required on the manifest Forms 1500, 1500 A and 1500 B (new numbers 500, 500 A, and 500 B), so far as it relates to alien arrivals, including those immigrant and tourists, should be made in accordance with the following classifications. The number of the column on the manifest is given in these special instructions and is followed, in parentheses, by all cases up to and including column 16, by a descriptive title indicating briefly the character to which it relates.

Column 3 (Age).—The return of age in column 3 should be expressed in years or months; the latter applying only to those under 1 year of age.

Column 4 (Sex).—The entry in column 4 should be either M, male, or F, female.

Column 5 (Married or single).—The entry in column 5 should be either M, married; S, single; Wd, widowed; or D, divorced.

Column 6 (Calling or occupation).—The entry in column 6 should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron worker, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other undefined designations.

A distinction should be made between *farmers* and *farm laborers*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests and corrections should be made, if necessary, by inspectors and registry clerks during the personal examination of alien arrivals.

Column 7 (Able to read and write).—Column 7 is subdivided into two columns, which should be either Yes or No, in each case. Yes means that the person can both read and write. No means that he can neither read nor write, or Yes—No means can read but not write.

Column 8 (Nationality).—Column 8 should be construed to mean the country of which immigrant is a citizen or subject, and not country of last permanent residence.

Column 9 (Race or people).—The entry in column 9 should show the race or people as given in list on reverse side of alien's manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily mean "French" by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following distinctions should be specially observed:

CUBAN.

The term "Cuban" refers to the Cuban people not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban not Negroes.

SPANISH.

"Spanish American" refers to the people of Central or South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the Africans, Negroes, or mulattoes coming from Canada or the islands of the West Indies, North or South America, Europe, Asia, or Africa. Any dark-skinned appearance indicates an admixture of negro blood, and should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the northern half of the Italian Peninsula, i.e., comprising the provinces of Piedmont, Liguria, Lombardy, Venetia, and Emilia, and who emigrate to the United States, whether residing in Italy, Switzerland, Austria-Hungary, or elsewhere, should be classed as "Italian (north)." Most of these people speak one of the dialects of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Pescara, comprising the provinces of Liguria, Tuscany, Marches, Umbria, Latium, Abruzzi, Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and who emigrate to the United States should be classed as "Italian (south)."

Column 10 (Last residence).—The entry in column 10 should show the country and city or town of last permanent residence, instead of the place, city or town of birth.

Column 11 (Final destination).—The entry in column 11 should show definitely the place, city or town of final destination.

Column 12 (Whether having a ticket through to such destination).—The entry in column 12 should be either Yes, ticketed, or No, not ticketed.

Column 13 (Whether in possession of $50 and if less how much).—The entry in column 13 should give in each case the individual or family possessions, the amount of which shown.

Money brought by the head of a family should be considered among the several members of the family.

Column 14 (Whether ever before in the United States and if so when and where).—The entries in column 14 should show whether or not Yes or No the alien has been in the United States before, and if so, the year or period of years and place, as "1893, Philadelphia."

Column 15 (Going to join relative or friend, and if so what one and their address).—The entry in column 16 should show whether Yes or No to join either a relative or friend, and if so what relative or friend, with name and complete address.

Columns 16 to 19.—The answers in these columns are subject to revision by any inspection officer in the examination of immigrants.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS FOR FILLING ALIEN MANIFESTS.

The instructions given below for filling Forms [illegible] and 598 are numbered to correspond with the numbers of the columns in which the entries are to be made. [illegible] should be made in the column to which they relate. The number at the head of each column on the [illegible] is to be followed in making the entries. Where, however, it prescribes [illegible] is left blank, a dash should be made in the column. [illegible] applicable to both the latter applies to [illegible]

Column 1. Number. [illegible]

Column 2. Name. [illegible]

Column 3. Sex. Write "male" or "female."

Column 4. Married or single. Write "married" or "single," according as the person is married, including widowers and widows, or single, including all persons who have never been married.

Column 5. Age. Write the age in years of the person next preceding his or her birthday. [illegible]

Column 6. Occupation. Write the occupation, trade, or profession of each person, if any, as laborer, farmer, servant, tailor, seamstress, dressmaker, merchant, clerk, cook, barber, shoemaker, carpenter, stonemason, stationary engineer, mason, painter, baker, butcher, blacksmith, machinist, miner, printer, glassblower, engraver, weaver, locksmith, gunsmith, silversmith, goldsmith, cutler, moulder, potter, turner, or other industrial occupation.

A distinction should be made between laborers working at specified trades and laborers working generally or seeking employment, the latter class to be designated as laborers. The term laborer includes all persons who work for a certain wage, whether by the day, week, month, or year, and whether engaged in agriculture, in mines, or in factories. A person who works on his own account or for himself, and not for wages, is not a laborer, but is to be reported under the occupation which he follows, as farmer, merchant, etc.

A farmer is a person who owns or rents a farm.

A farm laborer is one who works on a farm for wages.

Steamship companies should make the entries in this column with special care, as it will be made necessary, by inspectors at the ports, to verify the personal examination of alien arrivals.

Columns 7 and 8. Can read and write. Column 7 should be used to show whether each person named can read, and column 8 whether he can write. A person who can read in some language, but cannot write, should be returned Yes in column 7 and No in column 8. Persons who can read and write should be returned Yes in both columns. Persons who can neither read nor write should be returned No in both columns. No one can read but he can write, and no one can write but he can read, so that the answers Yes—No and No—Yes are impossible.

Column 9. Nationality. Column 9 should show the country of which each person named is a citizen or subject. Care should be taken to distinguish between the nationality of a person and his race or people. For instance, a native of Germany is a German by nationality, but may belong to the Hebrew race or people; a native of Ireland is an Irishman by nationality, but may belong to the Celtic race or people; a native of Scotland is a Scotchman by nationality, but may belong to the Celtic, Anglo-Saxon, Teutonic, or other race or people, according to his descent.

Column 10. Race or people. The entry in column 10 should indicate the race or people to which each alien belongs, as Hebrew, Irish, Scotch, English, French, German, Italian, Spanish, Portuguese, Dutch, Flemish, Swedish, Norwegian, Danish, Russian, Polish, Bohemian, Slovak, Magyar, Croatian, Servian, Ruthenian, Turkish, Armenian, Greek, Syrian, Chinese, Japanese, Corean, East Indian, Mexican, West Indian, Central American, South American, Cuban, Finnish, Negro, Pacific Islander, Indian, or other race or people as given in list on reverse side of alien touched.

Special attention should be paid to the distinction between race or people and nationality, and the entries in columns 9 and 10 should be carefully revised by inspectors and corrected where erroneous. For instance, "France," appearing on a manifest does not indicate whether the person named belongs to the Celtic, Teutonic, Hebrew, or other race or people, and similarly, "French," appearing on a manifest does not indicate whether the person named belongs to the Celtic or Hebrew race or people, but may mean "France" by nationality. An alien who is a Celt, Teuton, Hebrew, or member of any other race or people might properly come under the heading of Central American, South American, Cuban, or West Indian by nationality. In this connection the following explanations [illegible]

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than Cuban and Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central or South America of Spanish descent.

NEGRO

"Negro" refers to the people of African descent, including American Negroes, West Indian Negroes, and Negroes of all other countries.

HEBREW

"Hebrew" includes Jews of all countries. [illegible]

Column 11. Last residence. Write the name of the country in which each person named had his last residence. [illegible]

Column 12. Whether ever in the United States before. Write "yes" or "no" to show whether each person named has been in the United States before. [illegible]

Column 13. Whether going to join relative or friend, and if so, what relative or friend, with his name and complete address. [illegible]

Column 14. Whether in possession of $50, and how much. [illegible] answers in this column [illegible] inspection officer in the examination of immigrants.

SPECIAL INSTRUCTIONS FOR FILLING OUT MANIFESTS.

The term "Race or people" as used herein means the race or people to which each alien belongs when he says he belongs to a race or people, and not his nationality. For instance, a native of Scotland should write in the column headed "Race or people" Scotch, English, Irish, or Welsh, as he may declare himself to be, and not British, which is his nationality. A native of the West Indies should write West Indian, Cuban, Haytian, Spanish, Negro, Mulatto, or Mixed, according to his declaration. A native of Asia should write Chinese, Japanese, Hindoo, Arabian, Syrian, Armenian, Persian, Afghan, Turkish, Asiatic Russian, Siberian, Kurd, Hebrew, Asiatic Turkish, Asiatic Arabian, Asiatic Negro, Asiatic Mulatto, or Asiatic Mixed, according to his declaration. Special attention should be paid to the entry of the race or people to which each alien belongs, and this column of the manifest should be carefully revised by the person making the entry before the manifest is delivered. For instance, "France" appearing on a manifest does not indicate whether the person belongs to the French race or people, and similarly "French" appearing on a manifest does not indicate whether the person belongs to the race or people of France. "France" is the name of a country, and "French" is sometimes the name of a race or people, sometimes the name of a nationality, and sometimes the name of both a race or people and a nationality. An officer who finds, for example, that a native of France has written "French" in the column headed "Race or people" might properly conclude that the language of the United States circular requires the entry to be of nationality. In this case, he is to write "French" in the column headed "Nationality."

CUBAN.

The term "Cuban" refers to the Cuban people, not Negro.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, Haytian, Negro, Spanish, American, etc.

"Spanish-American" includes Spanish, Cuban, Porto Rican, Mexican, Central American, South American, Indian, Negro, Mulatto, Mixed, etc.

Persons who are not citizens of the United States, and who are coming to the United States for the purpose of engaging in labor, must be able to read the English language or some other language or dialect, and must have in their possession at the time of their application for admission to the United States money to the amount of fifty dollars, and if coming to a place to which they have been directed by any person, association, or corporation, must have in their possession money to the amount of fifty dollars in addition to the amount necessary to pay the expenses of such journey.

Money to be paid by the head of a family for other members of the family must be included in the fifty dollars required to be in the possession of the head of the family.

The provisions of this circular do not apply to persons who are in transit through the United States to some foreign country, nor to persons who have been residents of the United States and who have been temporarily absent therefrom, nor to persons who are professional actors, artists, lecturers, or singers, nor to ministers of any religious denomination, nor to professors for colleges or seminaries, nor to persons belonging to any recognized learned profession, nor to persons employed as domestic servants, nor to persons coming from foreign contiguous territory, nor to persons under sixteen years of age if unaccompanied by parents.

Money may be sent by the head of a family to pay the expenses of other members of the family who may intend to emigrate to the United States.

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

MANNER OF MAKING MANIFEST.

The manifest must be made in duplicate. Forms 1500, 1500-A and 1500-B, new numbered, are provided for the use of steamship companies, including those not transporting cabin passengers. These forms were devised to meet the following classifications. The columns of the manifest are numbered to correspond with these special instructions and is followed by printed instructions in the column to be filled out.

Column 1. Number on list.—The number in this column should be expressed in years or months. The letter *y* indicates years of age.

Column 2. Sex.—Write in this column whether male or female.

Column 3. Married or single.—Write in this column whether married or single. Widowers should be described as married.

Column 4. Calling or occupation.—Under this column is required a description of the occupation of each alien, if any, at the last place of abode. Every effort should be made to describe as accurately as possible the occupation of each alien. Such terms as laborer, servant, or no occupation, should not be used. Children should be described as "at school" or "without occupation." Persons formerly engaged in any business, but now living on their means, should be described as "gentleman" or "lady," as the case may be. Persons formerly engaged in any occupation, but now retired, should be described as "retired merchant," "retired farmer," "retired manufacturer," "retired capitalist," or "retired laborer," as the case may be.

Column 5. Can read or cannot read.—Write in this column whether the alien can read or cannot read, regardless of the language in which he can read or write.

Column 6. Can write or cannot write.—Write in this column whether the alien can write or cannot write, regardless of the language in which he can write.

Column 7. Can read and write.—Columns 5 and 6 are designed to show whether the alien can read and write. Answers to these columns therefore could be either Yes—Yes or No—No. Answers Yes—No or No—Yes are not to be used, but instead Yes can read but not write, or No can read but not write.

Column 8. Nationality.—Column 8 should be used to show the country of which the alien is a citizen or subject and not the country of last permanent residence.

Column 9. Race or people.—The entry in column 9 should show the race or people as given in lists on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry clerks in this regard. For instance, "France" appearing on a manifest does not necessarily indicate that the race or people is French, but may mean that the alien is a native of France, irrespective of race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" as nationality. An alien who is an Irishman, or Hebrew, or Bohemian might properly come under the heading of United Kingdom or any other country, as to nationality. In this connection the following distinctions should be specially noted:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than Cuban, but Negroes

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Spain, Central America, South America, and Mexico.

AFRICAN.

"African" refers to the Negroes of Africa, Negroes of the United States, Negroes of the West Indies, Negroes of Central America, Negroes of South America, Negroes of Mexico, and Negroes of any other country, except Negroes of Cuba, who are specially classified under the word "Cuban."

HEBREW.

The people who are known as Hebrews, Jews, Israelites, Children of Israel, Children of Abraham, Children of Jacob, Children of Judah, Children of Benjamin, Children of Levi, Children of Ephraim, Children of Manasseh, Children of Dan, Children of Naphtali, Children of Gad, Children of Asher, Children of Issachar, Children of Zebulun, Children of Joseph, Children of Moses, Children of Aaron, Children of Samuel, Children of David, Children of Solomon, Children of Zion, Children of Jerusalem, Children of Palestine, Children of Canaan, Children of Egypt, Children of Babylon, Children of Persia, Children of Assyria, Children of Chaldea, Children of Phoenicia, Children of Arabia, Children of Ethiopia, Children of Abyssinia, Children of Nubia, Children of Libya, Children of Carthage, Children of Numidia, Children of Mauritania, Children of Algeria, Children of Tunis, Children of Morocco, Children of Fez, Children of Tripoli, Children of Barbary, Children of Sahara, Children of Soudan, Children of Guinea, Children of Senegambia, Children of Liberia, Children of Sierra Leone, Children of Ivory Coast, Children of Gold Coast, Children of Togoland, Children of Dahomey, Children of Benin, Children of Biafra, Children of Cameroon, Children of Gaboon, Children of Congo Free State, Children of Angola, Children of Benguela, Children of Mozambique, Children of Zambesi, Children of Natal, Children of Transvaal, Children of Orange Free State, Children of Cape Colony, Children of Basutoland, Children of Bechuanaland, Children of Matabeleland, Children of Mashonaland, Children of Rhodesia, Children of Nyasaland, Children of British East Africa, Children of Uganda, Children of Abyssinia, Children of Somaliland, Children of Italian Somaliland, Children of French Somaliland, Children of Eritrea, Children of Italian Eritrea

EXTRACT FROM DEPARTMENT OF COMMERCE AND LABOR CIRCULAR No. 43.

SPECIAL INSTRUCTIONS CONCERNING ALIEN MANIFESTS.

The information required by the several columns of Forms 500, 500A, and 500B is now numbered (see 500A), and for convenience in recording these in transit and tourists, should be entered in the following classifications. The number of the column at the head of each is given for convenience in reference, in parentheses, after the name of the column. Only a descriptive title indicating briefly the character of the record is given.

Column 4 (Age). The entry in this column should be expressed in years or months, the latter applying strictly to those under 1 year of age.

Column 5 (Sex). The entry should be either M (male) or F (female).

Column 6 (Married or single). The entry in this column should be either M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (Calling or occupation). The entry in this column should describe as accurately as possible the occupation, trade, profession, or other calling of each alien, as, for example, Civil engineer, stationary engineer, farmer, tailor, dressmaker, bookkeeper, cook, brass polisher, steel polisher, iron molder, wood turner, [illegible] engineer, beer polisher, molder, farmer, or other indefinite designation.

A distinction should be made between *farmers*, *laborers*, and *servants*, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either owning or renting it.

A farm laborer is one who works on a farm for wages, board, or both.

A servant is one employed in domestic work.

Steamship companies should make this distinction in their manifest, and corrections should be made, if necessary, by inspectors and others during the personal examination of alien arrivals.

Column 8 (Able to read and write). In Column 8 each of the entries therein should be either Yes (can read and write), No (can neither read nor write), or Yes, No (can read but not write).

Column 9 (Nationality). Column 9 should be confined to the country of which immigrant is a citizen or subject and not country of last permanent residence.

Column 10 (Race or people). The entry in column 10 should be one of the race or people as given in list on reverse side of alien manifest.

Special attention should be paid to the distinction between race and nationality, and manifests should be carefully revised by inspectors and registry boys at the ports of arrival. For instance, "France" appearing on a manifest does not necessarily mean French, by race or people, and similarly, "French" appearing on a manifest does not necessarily mean "France" by nationality. An alien who is Irish, German, or Hebrew by race might properly come under the heading of United Kingdom or any other country by nationality. In this connection the following instructions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies, other than Cuban or Negro.

SPANISH-AMERICAN.

"Spanish-American" refers to the people of Spain or Spanish South America or Central America.

AFRICAN (BLACK).

African (black) refers to the African Negro, including the Negroes of the islands off the West coast of North or South America, but not Africans of Arabian appearance or those of Egyptian or other mixed blood.

HEBREW.

The people who are known as the Hebrew race, regardless entirely of their professed religious tenets, and who are found in all parts of the world, principally, however, in Russia, Austria-Hungary, Germany, Turkey in Asia, England, France, Italy, Holland, Roumania, Greece, and the United States. Under no circumstances should Hebrews be classified as Germans, Russians, Austrians, Italians, etc.

ITALIAN.

The people of Italy proper, including Sicily and Sardinia, but not the Italians of Tyrol, Trieste, Istria, Trentino, Austrian Littoral, Dalmatia, Austrian Poland, Galicia, Austrian Bukovina, Austrian Ruthenia, Austrian Transylvania, Austrian Banat, Austrian Military Frontier, Fiume, Hungarian Littoral, Hungarian Croatia, Hungarian Slavonia, Hungarian Transylvania, Hungarian Banat, Hungarian Military Frontier, Hungarian Ruthenia, Hungarian Poland
